Plan your next corporate retreat in the relaxed yet sophisticated city of Santa Fe, New Mexico. The city exemplifies human creativity and has been designated the US's only UNESCO Creative City. El Farolito Bed and Breakfast and its nearby sister property, the Four Kachinas Inn, offers fourteen unique and art adorned guest rooms. Both inns are conveniently located in the City's historic district and just a short walk to the historic Plaza and some of Santa Fe's finest shops, galleries, museums and world-class restaurants. El Farolito's eight rooms form the quintessential Santa Fe compound with walled-in patios, garden areas, and kiva wood-burning fireplaces. The Four Kachinas property (2 blocks from El Farolito) features six rooms. Our unique award-winning accommodations reflect the cultural diversity of Santa Fe's past and present. Original Native American, Spanish Colonial and regional art, along with locally handcrafted furnishings, are highlighted by traditional New Mexican architecture.
