Our million dollar clients rave about the Inn and always ask us to select that property for their visits. They are drawn to the view, the rooms and the service. As their hosts, we choose the Inn for the environment where we can relax in total comfort with our customers, converse and develop bonds that reach beyond the business relationship. If a meeting or seminar is your goal, the open floor plan of the Inn provides full flexibility in room configuration, their wireless service is top notch, and the meals will truly put a “wow” in your day. If you’re lucky enough to have an open day for fun, there are great waterfall hikes, kayaking or canoeing, and plenty of fishing to keep you occupied.
