The St Francis Inn is an historic (1791) bed & breakfast with Old World charm, located in the nation's oldest city, St. Augustine, Florida. Seventeen individually decorated rooms and suites grace the Inn. The peaceful and private walled garden is a favorite place to unwind. A few of the Inn's amenities include gourmet full breakfasts, private balconies and porches, swimming pool, bicycles, complimentary wi-fi on the entire property and evening socials. The Inn is unique in its location -- right in the heart of the oldest residential area of the city, but private and serene in its own quiet corner. The narrow brick paved streets surrounding the Inn offer charming restaurants, museums, galleries, antique shops, historic sites and a variety of shopping experiences.
